Abstracts

Domestic payment schemes pose both a competitive threat to the international schemes and, unlike the other competitors, offer opportunities. For reasons of both limited coverage and the vast opportunities present, this report seeks to demystify the murky domestic payment scheme landscape.

Euromonitor International's Domestic Schemes: Origins to Aspirations global briefing offers insight into the size and shape of the Consumer Finance market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and offers strategic analysis of key factors influencing the market. Forecasts provide an invaluable perspective on market evolution and the criteria for success. The briefing leverages Euromonitor International's 360-degree coverage of the global payments' landscape including insight on consumer debt.

Product coverage: Consumer Lending, Financial Cards and Payments.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
