Abstracts

Domino's is the largest pizza limited-service restaurants (LSR) brand in the world, in terms of both number of outlets and revenue, and is the sixth largest limited-service brand globally by sales. Following consecutive years of strong growth in 2020 and 2021, growth in 2022 stagnated largely due to difficult macroeconomic conditions and delivery driver shortages. As these conditions improve, Domino's will likely return to growth in 2023, aided by international outlet openings.
