## Abstracts

The laundry care market is on a path of formula concentration, primarily driven by supply-side forces. This path has implications that echo across auxiliary home care industries and services such as packaging, ingredients, and retailing. Disruptive technology is spilling over onto a wide array of home care inter-related markets, potentially changing dosing or even the whole washing process. Why does this matter and how is it likely to reshape the market?

Euromonitor International's Dosage: Why Does it Matter in Laundry Detergents? global briefing offers an insight into to the size and shape of the Home Care market, highlights buzz topics, emerging regions, countries and categories as well as pressing industry issues and white spaces. It identifies the opportunity zones within home care, analyses leading companies and brands and offers strategic analysis of major factors influencing the market - be they new product developments, packaging/ format /ingredients innovations, economic/lifestyle/environmental influences, distribution or retail pricing issues. Forecasts illustrate how the market is set to change and criteria for success.

**Product coverage:** Air Care, Bleach, Dishwashing, Home Insecticides, Laundry Care, Polishes, Surface Care, Toilet Care.
