Abstracts

Third-party merchants remained the leading players in e-commerce in Brazil during 2020. Moreover, the country's leading online marketplaces MercadoLibre and Americanas remained the main drivers of sales growth in e-commerce during the year. This is mainly because few of the country's leading store-based retailers have an online presence via their own branded websites, which means that many of them chose to join online marketplaces to start selling goods online as the COVID-19 pandemic created ba...

Euromonitor International's E-Commerce in Brazil report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers.
