Abstracts

E-tec electronics GmbH largely builds its strategy on its low-price policy. Price comparison websites show that it successfully competes with both bigger retailing chains and smaller online-only shops. The company relies very much on its online business and is not expected to expand its branch network very much in the next few years.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Computers and Peripherals, In-Car Entertainment, In-Home Consumer Electronics, Portable Consumer Electronics.
