Abstracts

In terms of managing to capture improvements in retailing in Chile, a system of word class information management called the Teredata project was implemented, giving the possibility to generate benchmarks, strengthen regional suppliers, facilitate home purchases, reduce costs in obtaining information and have more timely information for decision-making.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Retailing market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems.
