Abstracts

Conditions markedly improve for the consumer in terms of edible oils in 2023. In 2022, the war in Ukraine caused edible oil prices to skyrocket in Lithuania, due to Ukraine being one of the main suppliers of sunflower oil globally. In 2023, the situation has stabilised, and there has been steep price reductions. As such, current value sales are expected to rise significantly and there is also expected to be an increase in volume sales, following a decline the previous year. Temporary population...
