## Abstracts

Consumers in Pakistan are gradually shifting towards premium and branded edible oils. This trend is driven by the perception of higher quality and safety associated with branded products. Premium oils, such as extra virgin olive oil, are becoming popular among urban consumers who are willing to pay more for perceived health benefits. This shift has shown slowed growth in 2023 due to rising inflation and consumers being highly price sensitive. Some consumers (mostly non-affluent) are opting for l...
