## Abstracts

In 2020 e-commerce sales of edible oils in Russia have seen massive growth of 70%, way ahead of the second-fastest rising channel, convenience stores, which has seen sales increase by 21%. All types of edible oil have gained share in terms of both retail volume and retail current value, though have been shrinking in foodservice volume terms as horeca establishments shut down. Overall retail volume has grown by 6% in 2020, compared to 2% in 2019, while overall retail current value growth stands a...
