Abstracts

Growing health awareness among consumers is supporting the growth of edible oils in Slovenia in 2023. With social media influence getting greater, consumers are now more informed about all the benefits edible oils boast and often use such oils for several purposes – this is particularly so among many female Slovenians. Products within edible oils are used not only in the kitchen but also for cosmetic and personal care – for example, coconut and olive oil are both widely used for cooking and as ski...
