Abstracts

In 2018, the industry saw steady growth as a result of further implementation of the Ministry of National Education (MoNE) 2015-2019 Strategic Plan. It mainly focuses on teacher training, increasing completion rates in education, the promotion of lifelong learning, encouraging participation in private education and attracting international students. Although the Turkish government's expenditure on education rose at a double-digit rate in 2018, the share of the national budget allocated to educat...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Education market at a national level.
