Abstracts

EIPICO plans to maintain the high quality of its products in order to remain a leading player in consumer health in Egypt. The company is expected to focus on increasing its exports across the Middle East/North Africa region and gain value share at local and international level. EIPICO is also set to benefit from operating its own distribution network, which enables it to maintain a more consistent distribution presence than many of its competitors.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
