## Abstracts

The company will continue to increase its number of stores as one of the leading electronics and appliance specialist retailers in the country with a modern concept. While in the past the presence of modern retailers heavily centred on major cities, the growing distribution network of the company is set to reach smaller cities with modern shopping establishments as this is where most of its stores are located.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Product coverage:** Computers and Peripherals, In-Car Entertainment, In-Home Consumer Electronics, Portable Consumer Electronics.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
