## Abstracts

Although consumer awareness about emergency contraception has improved and there are fewer doubts about using the products, its use has increased with urbanisation. More women are beginning to take more responsibility for their reproductive choices. However, some adults hold the view that the product is abortive.

Euromonitor International's Emergency Contraception in Cameroon report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2008-2012, allowing you to identify the sectors driving growth. Forecasts to 2017 illustrate how the market is set to change.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
