Abstracts

EMS's strategy is based on the company's capability to respond quickly to emerging market trends. The company has been able to maintain the leading position in generics by consistently launching new products and diversifying its product portfolio. The company is expected to continue expanding over the forecast period and increasing its investment in research and development.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management and Wellbeing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
