Abstracts

Off-trade demand for energy drinks in Hong Kong continued to move towards recovery in 2023 following the lifting of COVID-19 restrictions. The resumption of foot traffic and the return to office work resulted in greater demand for an energy boost among local consumers. As they adapted to busy working schedules and social lifestyles once again, there was a greater need to maintain energy levels to sustain daily activities compared to the stay-at-home behaviour during the pandemic period.

Euromonitor International's Energy Drinks in Hong Kong, China report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2019-2023), allowing you to identify the sectors driving growth.
