Abstracts

The South Korean energy sector's growth in 2017 relied heavily on the petroleum refining industry's performance, and turnover increased mainly due to higher petroleum prices during the year. Road fuel prices peaked at the beginning of 2017, and recorded an average fuel pump price increase of 6% for gasoline and 8% for diesel compared with the 2016 levels. Price increases continued into 2018, registering 3-6% growth within the first four months according to the Korean Statistical Information Serv...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Energy market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change.

Product coverage: Coke Oven Products, Extraction of Crude Petroleum and Natural Gas, Mining of Coal and Lignite, Mining of Uranium and Thorium Ores, Processing of Nuclear Fuel, Refined Petroleum Products.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Energy market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.
