Abstracts

Engen attributes its long reign as South Africa largest forecourt retailer to continued investment in meeting customers' needs. As part of its strategy the company continues to develop products that are relevant to customers. Additionally, Engen continues to implement key strategic initiatives with partners in an effort to better entrench Engen's leading position in forecourt retailing.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
