Abstracts

Envases Universales de México SA PI de CV has developed a successful strategy to deal with the volatility of prices in raw materials. Long-term contracts with customers and suppliers are part of the company's strategy. Diversification of its customers is also key for the company, which makes sure that no client represents more than 10% of the company's total sales. The company expects to grow its business by offering a diversified portfolio of products and the ability to adapt to the needs of...
