Abstracts

In the last decades, the legislative landscape on cannabis has been constantly evolving in Europe. Countries have been going through legal developments with different speeds and directions, and ditto on a regional level. The legal inconsistencies and ambiguities across many European jurisdictions pose challenges to the evolution of the cannabis industry, while it might also open potential future opportunities.

Euromonitor International's European Cannabis Regulation: Current State and Future Evolution Global report is designed specifically for current and potential stakeholders in the emerging legal cannabis market. It seeks to provide an in-depth overview of the size and scope of the global cannabis environment, examining the historic and future market trends. Delving into the forces shaping the emerging legal industry including regulatory momentum, dynamics of current illicit consumption, changing consumer behaviour and corporate activity, the report identifies opportunities and challenges across medical, adult-use cannabis and CBD. Forecasts in the reports are available to 2027.

Product coverage: Adult-Use Cannabis, CBD, Medical Cannabis.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
