Abstracts

Europris aims to continue to increase its sales over the forecast period by adding new outlets in strategic locations around Norway. The company is expected to persist with its model of low prices and wide variety. This is set to be supported by online sales as this domestic player moves into internet retailing.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
