Abstracts

Excelsior Gama is a local company focused on grocery retailing. It is concentrated in the Greater Caracas area. The company will attempt to expand marginally within neighbouring cities over the medium term. Most of its growth will come from hypermarkets and convenience stores, which are less developed channels than supermarkets.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
