ID: EDBA1A4F4E8EN

Abstracts

Extreme Digital's strategic concept is to maintain the omni-channel retailing solution with greater focus on its online division, without a significant increase in outlet size from the current level of 13. The company constantly adds new product categories to its edigital.hu webshop assortment, like appliances, toys, games, books, beauty and baby care, and office supplies as a move towards a generic webshop, while stores insist on presenting products related to its core business portable...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
