Abstracts

Eye care products suffered a great shock in volume terms in 2016 due to shortages of imported components, resulting in the exit of many brands. In 2017, the category seems to have stabilised at a low supply level provided by one local manufacturer, occasional supplies of imported products or some marginal production by small companies.

Euromonitor International's Eye Care in Venezuela report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2012-2016, allowing you to identify the sectors driving growth. Forecasts to 2021 illustrate how the market is set to change.

Product coverage: Allergy Eye Care, Standard Eye Care.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
