## Abstracts

Fast Retailing plans to expand its Japanese storage and logistics operations in the forecast period, with a focus on offering speedier home delivery for internet retailing orders. The company aims to increase the share of internet retailing in its overall Japanese sales from 5% in 2016 to 30% by 2021. The company will also focus on digital synchronisation across its operations, with the aim of improving efficiency and reducing costs. The company will meanwhile also use technology to offer more p...
