Abstracts

The local player aims to maintain its leadership in home improvement and gardening stores through its EPA chain. Its future strategy will largely depend on the regulatory context. Substitution of some imported brands in Venezuela by good quality items is predicted as a way to reduce dependence on imports. The company has stores in another country in the world.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
