## Abstracts

Kate Spade is part of a new clutch of US accessible luxury brands that aim to bridge the gap between luxury and high street fashion. The brand has seen strong growth from a niche New York brand to a national phenomenon. The company's new CEO plans to build Kate Spade into a lifestyle brand by moving into non-fashion categories such as bedding, while at the same time adding diffusion lines as it has recently done with the launch of Kate Spade Saturday in 2013.

Euromonitor International's Fifth & Pacific Companies Inc in Luxury Goods (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Luxury Goods industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects.
