Abstracts

The industry shrank over 2020 as a result of the COVID-19 pandemic, the oil price shock and heightened uncertainty, causing turmoil in global financial markets. The Canadian government imposed a number of measures to contain the pandemic, including social distancing protocols, widespread business closures and travel restrictions, hindering economic activity in the country. In addition, the government implemented fiscal stimulus measures to support households and businesses as part of its COVID-1...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Finance and Insurance market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth.
