Abstracts

The finance and insurance industry in Italy posted only moderate growth over 2019, due to political instability in the country and declining domestic demand. Lending to households witnessed a steady rate of expansion over the year; however, demand for loans from non-financial companies declined, as a result of lower business confidence and shrinking private investment amid the Eurozone slowdown and rising global protectionism. Banks' balance sheets continued to strengthen, due to a reduction in...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Finance and Insurance market at a national level.
