Abstracts

Retailing continues to be the core business of Fis, but the company is increasingly looking for growth elsewhere, investing in wood processing, textiles, real estate, tourism and health foods production. Fis will continue to develop its retailing network but not at any cost. Fis is likely to take a more organic approach to growth over the forecast period.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
