Abstracts

Fish and seafood is expected to maintain dynamic total volume growth in India in 2023, with growth across all categories, with the dominant product type being fish. Many consumers enjoy having a starter when they visit a restaurant, and fish-based starters such as fish cutlets, fish tikka, and fish fingers are popular options, which are ordered for before the main course as a starter, or as a side dish for with the main course. In India, nine states have a coastline – these are Gujarat, Maharash...
