Abstracts

Fiskeby Board is one of the largest paper and board manufacturers in Sweden; its origins date back to 1637. The company has adjusted its production according to customers' needs over centuries, and its future focus is on very-high-quality products and customer relationships. It will continue to bring clear environmental benefits by remaining sustainable; hence all of its products will continue to be manufactured from 100% recovered fibre using renewable energy.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
