Abstracts

Fonti Di Vinadio is expected to continue to innovate in the forecast period, with a focus on offering healthy beverages in environmentally-friendly packaging. The company will also continue to invest heavily in expanding its production capacity and improving efficiency. It notably announced an investment of EUR50 million in its production facilities in July 2016, with five new bottling lines set to be added from 2016 onwards. This will increase its production capacity to around three billion bot...
