Abstracts

Food and drink internet retailing is growing very rapidly. This is due to several factors. Consumption is changing in Indonesia. People spend more of their money on experiences rather than goods, so this consumer group is willing to spend on food and travel. In addition, due to the fact that Indonesians love their food, coupled with the population's increasing demand for convenience, food deliveries are becoming increasingly popular. Due to the e-commerce boom in Indonesia, most food outlets alr...
