Date: June 2019

Pages: 23

Price: US\$ 660.00 (Single User License)

ID: FAD20B4A0EAEN

## Abstracts

The industry's turnover registered a solid increase over 2017, as domestic companies engaged in wood production and forestry activities witnessed greater demand from Australia's construction companies, and a significant increase in exports. Although residential and housing activity declined in 2017, the country's construction sector remained a major market for wood products, and an important driver of forestry development thanks to the increased infrastructure spending, and higher investment in...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Forestry, Wood and Paper market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth.
