Abstracts

Fortified/functional beverages is suffering from a lack of innovation and suffered value decline in 2020, which is a continuation of a downward trend. However, the performance differed across product areas. FF hot drinks actually registered growth in retail current value, with consumers looking to FF hot drinks such as tea for immune boosting properties. FF soft drinks suffered value decline, with FF fruit/vegetable juice being the worst performer, with value sales declining by nearly a fifth. C...
