Abstracts

While overall retail volume and current value sales of FF beverages continued to see double-digit growth in 2021, the category remained relatively small, with few significant categories. In 2021, only FF bottled water, FF energy drinks and FF sports drinks registered significant sales in Egypt. The pace of growth has also decelerated as demand begins to mature. Affordability remained a barrier for a significant proportion of local consumers, who continued to favour more affordable perceived heal...
