Abstracts

Fortified/functional registered healthy value and volume growth in 2021, with growth higher than in 2020. Fortified plant-based hot drinks and fortified fruit and herbal tea in particular registered strong growth in 2021. As Ireland remained in the transition phase of easing lockdown restrictions for the majority of the year, consumers turned to fortified teas to boost mental and physical wellbeing.

Euromonitor International's Fortified/Functional Beverages in Ireland report tracks the developments of health-associated product types and the healthy-option positioning of competing brands across different food sectors. It provides the latest retail sales data 2017-2021, allowing you to compare health and wellness categories with each other or in the context of the total market for a sector. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market- be they new product developments, legislative context or lifestyle influences. Forecasts to 2026 illustrate how the market is set to change.

Product coverage: FF Hot Drinks, FF Soft Drinks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
