Abstracts

FF energy drinks remained the best performing category in FF beverages during 2021 and account for bulk of retail volume sales of FF soft drinks. Increasing affordability is playing a role in this, with the unit price of FF energy drinks declining by more than a quarter (in constant 2021 prices) during the forecast period. The product offer in FF energy drinks continues to widen, while their distribution is broadening through both modern and traditional retail channels, in addition to e-commerce...
