Abstracts

Consumers are becoming more health-conscious than ever, especially since the COVID-19 pandemic which has increased the health and wellness trend even more. As a result, consumers are looking for ways to improve their health through their diet, which is proving to be a huge advantage for FF packaged food. For example, protein is becoming increasingly sought after, so players have begun adding the word clearly to packaging to grab the consumer's attention. For example, Aldi has launched its privat...
