Abstracts

Free from lactose will remain the largest category within free from packaged food in current value terms in 2021 and will continue to see dynamic growth from an already high base. Free from lactose dairy products (namely milk, cream, and cheese) account for most of the free from lactose sales. Within free from lactose cream, strong innovation and product development has been seen, with the launch of the private label line Eurospin Amo Essere Senza Lattosio Panna da Cucina UHT, Parmalat Chef Senz...
