## Abstracts

Functional drinks recorded 10% total current value growth in 2009, with slower growth evident each year across the review period caused by similar demand but an increasing number of products; many new product launches have increased competition in functional drinks. The main players showed growth in 2009, but have made more efforts to keep new entrants at a distance.

Euromonitor International's Functional Drinks in Netherlands report offers a comprehensive guide to the size and shape of the market at a national level.
