Abstracts

Home improvement and gardening stores saw a trend of rebranding and emphasising attractive prices, combined with convenience, in order to compete with online retailing and other channels. For example, Home Centers (DIY) and Electra Consumer Products rebranded outlets and changed their slogans, alongside emphasising their attractive prices and temporary sales.

Euromonitor International's Furniture and Homewares Stores in Israel report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
