## Abstracts

Furniture and homewares stores was naturally among the more affected channels following the collapse of the Dubai real estate market during the review period, as consumers reduced major purchases and increasingly purchased furniture and furnishings only when needed, rather than to keep up with changing fashion trends. Nevertheless, sales growth slowly recovered by the end of the review period, with current value growth of 4% in 2012 as a number of expatriates returned to the country, boosting...

Euromonitor International's Furniture and Homewares Stores in United Arab Emirates report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
