Abstracts

Businesses today face the challenge of achieving and accelerating growth amid historically weak economic expansion and a rapidly changing environment. To unlock growth opportunities and proactively position themselves ahead of the competition, they must understand the drivers of change, the consumers to target, and where to play. Above all, they must be prepared for the future of consumption.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Product coverage:

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
