Abstracts

The transportation industry is undergoing a paradigm shift away from fossil fuels amid growing global pressures to reduce carbon emissions. The report assesses the market for EV batteries and essential metals such as lithium and cobalt and points out some of the opportunities and challenges facing the industry. It also illustrates how certain innovations on the backdrop of key challenges facing EVs, are needed to ensure EV adoption continues growing in the future.

...

The Future of the EV: Assessing Battery and Metals Supply offers a unique insight into key trends shaping the industry world-wide and in the largest markets. Aimed at strategists and planners, it draws on Euromonitor International's vast information resources to give top line insight across manufacturing, B2B and services sectors. Written by some of our most experienced analysts, the Global Industrial Reports are designed to provide key trends on industry's performance, demand drivers, trade, leading companies and future trends. This allows company leaders to reflect on the behaviour and motivation driving global markets today and tomorrow.

Product coverage: Agriculture, Business Services, Chemical Products, Construction and Real Estate, Education, Energy, Finance and Insurance, Food, Beverages and Tobacco, Forestry, Wood and Paper, Government and Membership Organizations, Healthcare and Social Services, Hi-tech Goods, Hotels and Restaurants, Household Goods, Information and Communications, Machinery, Metal Products, Non-metallic Mineral Products, Personal Services, Pharmaceuticals and Medical Equipment, Recreation, Entertainment and Arts, Retail and Wholesale, Rubber and Plastic, Textile and Leather Products, Transport and Storage, Transport Equipment, Utilities and

Recycling.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Industrial (Entire Economy) market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.
