ID: GECF1E088DBEN

Abstracts

Gap Canada struggled to maintain sales towards the end of the review period, due to strong competition from fast fashion and luxury apparel brands alike. The company may thus opt to further reduce operational costs in the forecast period. This could result in the company shifting its model from a large store network to a strong online presence accompanied by a number of large flagship stores, with the latter acting as showrooms for its range. The company will meanwhile continue to seek a revival...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
