Abstracts

The Gap Inc saw recovery in fiscal year 2017, after three years of sales decline, thanks to the company's efforts to focus on its best-performing brands, strengthen its digital business and streamline its operations. To ensure future growth, the company should look at global expansion to reduce its reliance on the North American market, continue to focus on its digital strategy, and further expand its exposure to the growing athleisure market.

Euromonitor International's The Gap Inc in Apparel and Footwear (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Apparel and Footwear industry.
