Abstracts

GE Green Sdn Bhd has gradually introduced higher class products to widen its target consumers. From the kitchen appliances that are built based on Asian cooking styles and needs, it is set to widen its playing field to the upper targets through its involvement with some European, Italian and Korean brands.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
