## Abstracts

In 2023, general merchandise stores recorded strong current value sales growth. Much of this stemmed from the strong performance of variety stores, which in keeping with its performance throughout the review period, recorded high double-digit growth in current value sales in 2023. The wide assortments and competitive pricing strategies of these retailers became more appealing to many Poles during the year as soaring inflation weakened purchasing power and caused the cost of living to rise dramat...
